Change? What a Pain!

For our 70th Anniversary, we are changing colors! The Dining Hall inside and out will be repainted along with our maingrounds buildings to look “fresh and new”. I’m even thinking about coloring my hair??

A former Pastor, when folks talked about his building looking old, disagreed! It was completed after he came. He did not consider that was over 25 years earlier!

The Dining Hall was remodeled the Spring after Deb and I were married. We picked the paneling and paint colors. Change? Why? Well, because that was two kids, three graduations, and now 28 years ago!

Heaven will never need to be made “fresh and new”. It’s glory never fades or gets damaged and, without a sin nature, we will never get “tired of the way it looks”. Change in some way is part of our sinful lack of satisfaction. To a greater extent sin’s curse makes everything here wear out over time.

Change? It takes a lot of money, effort, and resolve. That’s what we give each summer to see change in the life of campers to Christ-likeness. We want all to see the beauty and perfection of Heaven in their future.

For that reason we change things on the campgrounds and seek God daily for change toward Christlikeness in our own lives! Join us!

Scott Randolph, Camp Director, [since 1984]

OUR 70TH YEAR OF MINISTRY 1949 - 2019

6th Annual CA5K Race, Saturday, May 18th

Walkers/Runners for the CA5K or Kids’ Fun Run please hurry and register at CampAssurance.org to receive a t-shirt. You can register in person up to 8:30am that morning, but may not receive a t-shirt. 5K race begins at 9am.

Awards provided for fastest times overall and by age group along with special prizes for fastest couple, pastor, and parent/child. Two camp scholarships will be drawn for two children in attendance that day.

Be a sign sponsor with a sign placed along the trail for \$25. Show support, encourage runners, or give them a laugh. Mail check and message to CA5K, PO Box 18, Georgetown IL 61846 by May 5th.

New Duplex Cabin Fund Grows

\$155,000 has come in for the new Duplex Cabin. That means we just need the final \$45,000 to build this cabin and to pay for the Presby Septic System to meet the needs for this and the next three duplexes.

We thank all who have prayed and given to this building project! We hope to be close to the end of the fundraising phase. The architect group finished their work and their sealed plans go to the State of Illinois this month for [we pray!] approval.

We hope many more will give to provide the final \$45,000 by the end of September. We are also looking for plumbers and concrete workers

Nehemiah Weekend, April 26-27

Willing to work to provide scholarship money for campers? Want to help the children from your own church get to camp this summer?

Nehemiah Weekend is a work retreat at Camp Assurance to prepare the grounds for the summer. Raking, cleaning, painting, building program props, cleaning out the pool, and other odd jobs need to get done before the CA5K. Retreat participants pay \$25 for their food, snacks, and overnight and the camp provides \$75 of scholarship money to yours or another church to help them get young people to camp.

Come with a couple changes of clothes that can get messed up working and enjoy Christian fellowship in service for the Lord. Great food and snacks and two devotional times [Friday evening&Saturday morning] available for the teens and adults who come to work.

Register online or contact us by phone or email. Bring your rake, leaf-blower, chain saw or weed eater if you like. Thank you for your help!

Camper Parents' and Friends' Day & 70th Anniversary Celebration

Saturday, July 27th, Camp Assurance opens at 9am for Horseback Riding, zippy, and other activities. Preaching Session at 10:45am with a picnic lunch served from Noon to 12:45. Activities begin again and end at 3:45. You can send/bring a short video "fireside testimony" or write a note to praise the Lord for what He did for you at Camp Assurance for us to share with others [uploading directions can be found at CampAssurance.org]. Written testimonies go into the 70th Anniversary Remembrance Book. Cost is lunch and there will be offerings in both services. We hope to see you there or at least hear from you on video or in print!

"Cabin" continued from p. 1

willing to donate their time and skills when it comes time to break ground. A company has volunteered to help with site preparation. Some electricians, carpenters, and others have offered their help already too.

Please pray for God to continue to provide for The Master's Plan financially and with skilled volunteers for every phase of the work. We rejoice at what God has done already and look forward to see how He brings glory to His Name in completing this first Duplex Cabin.

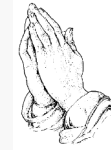

Thank you again for your prayers and support of Camp Assurance and this new Duplex Cabin project!
